Who's ready to come back to [\[insert gym name\]](#) !? 🤖 🤖

Gyms play a special role in the climbing community as both training centers AND social hubs. Even the US Olympic Climbing Team agrees they wouldn't be where they are without local climbing gyms.

When you're ready to get back to the gym, we'll be ready for you - come send it!

And while you're at it, post a photo or video telling your friends why indoor climbing is important to you. Tag us and use #InsideVoices.
